The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(a) the invention was known or used by others in this country, or patented or described in a printed publication in this or a foreign country, before the invention thereof by the applicant for a patent.

Claims 1, 5-9, 13 and 14 are rejected under 35 U.S.C. 102(a) as being anticipated by Fargo et al. (U.S. Patent 6,450,317).

Fargo shows in Figures 2 and 3 a passenger conveyor having a plurality of steps 18 and a step chain 20 that is distinct from the steps and it is movable along a chain loop and at least one drive module 36 having a motor and a drive member 30 that engages the step chain on only one side.

Re claim 5, the drive module engages on only one side and that side is the passenger side.

Re claim 6, shown is a drive sheave 38 and it is shown as leaving the claimed spacing.

Re claim 7, 30 is a drive belt.

Re claim 8, see Figure 3.

Re claims 9 and 14, trusses and steps are inherently made from different materials.

Re claim 13, the belt is non-metallic.

Claims 2-4 and 10-12 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Claims 15, 18 and 19 are allowed.

Art Unit: 3651

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.

Any inquiry concerning this communication should be directed to James R. Bidwell at telephone number (571)272-6910.
